

Halls Creek TR. NO. 039

Dixie National Forest, Escalante Ranger District

General Description: A scenic trail through meadows, aspen, and mixed conifer forest. This trail can be combined with nearby trails to make a loop or multi-day trip such as the Griffin Point Tr. No. 038 and the Griffin Spur Tr. No. 037.

Mileage: 3.7 miles one way

Difficulty: Foot: moderate

Bike: difficult

Horse: moderate

OHV: not permitted

Trailhead access: Graded gravel road

Elevation loss / gain: 1120 feet

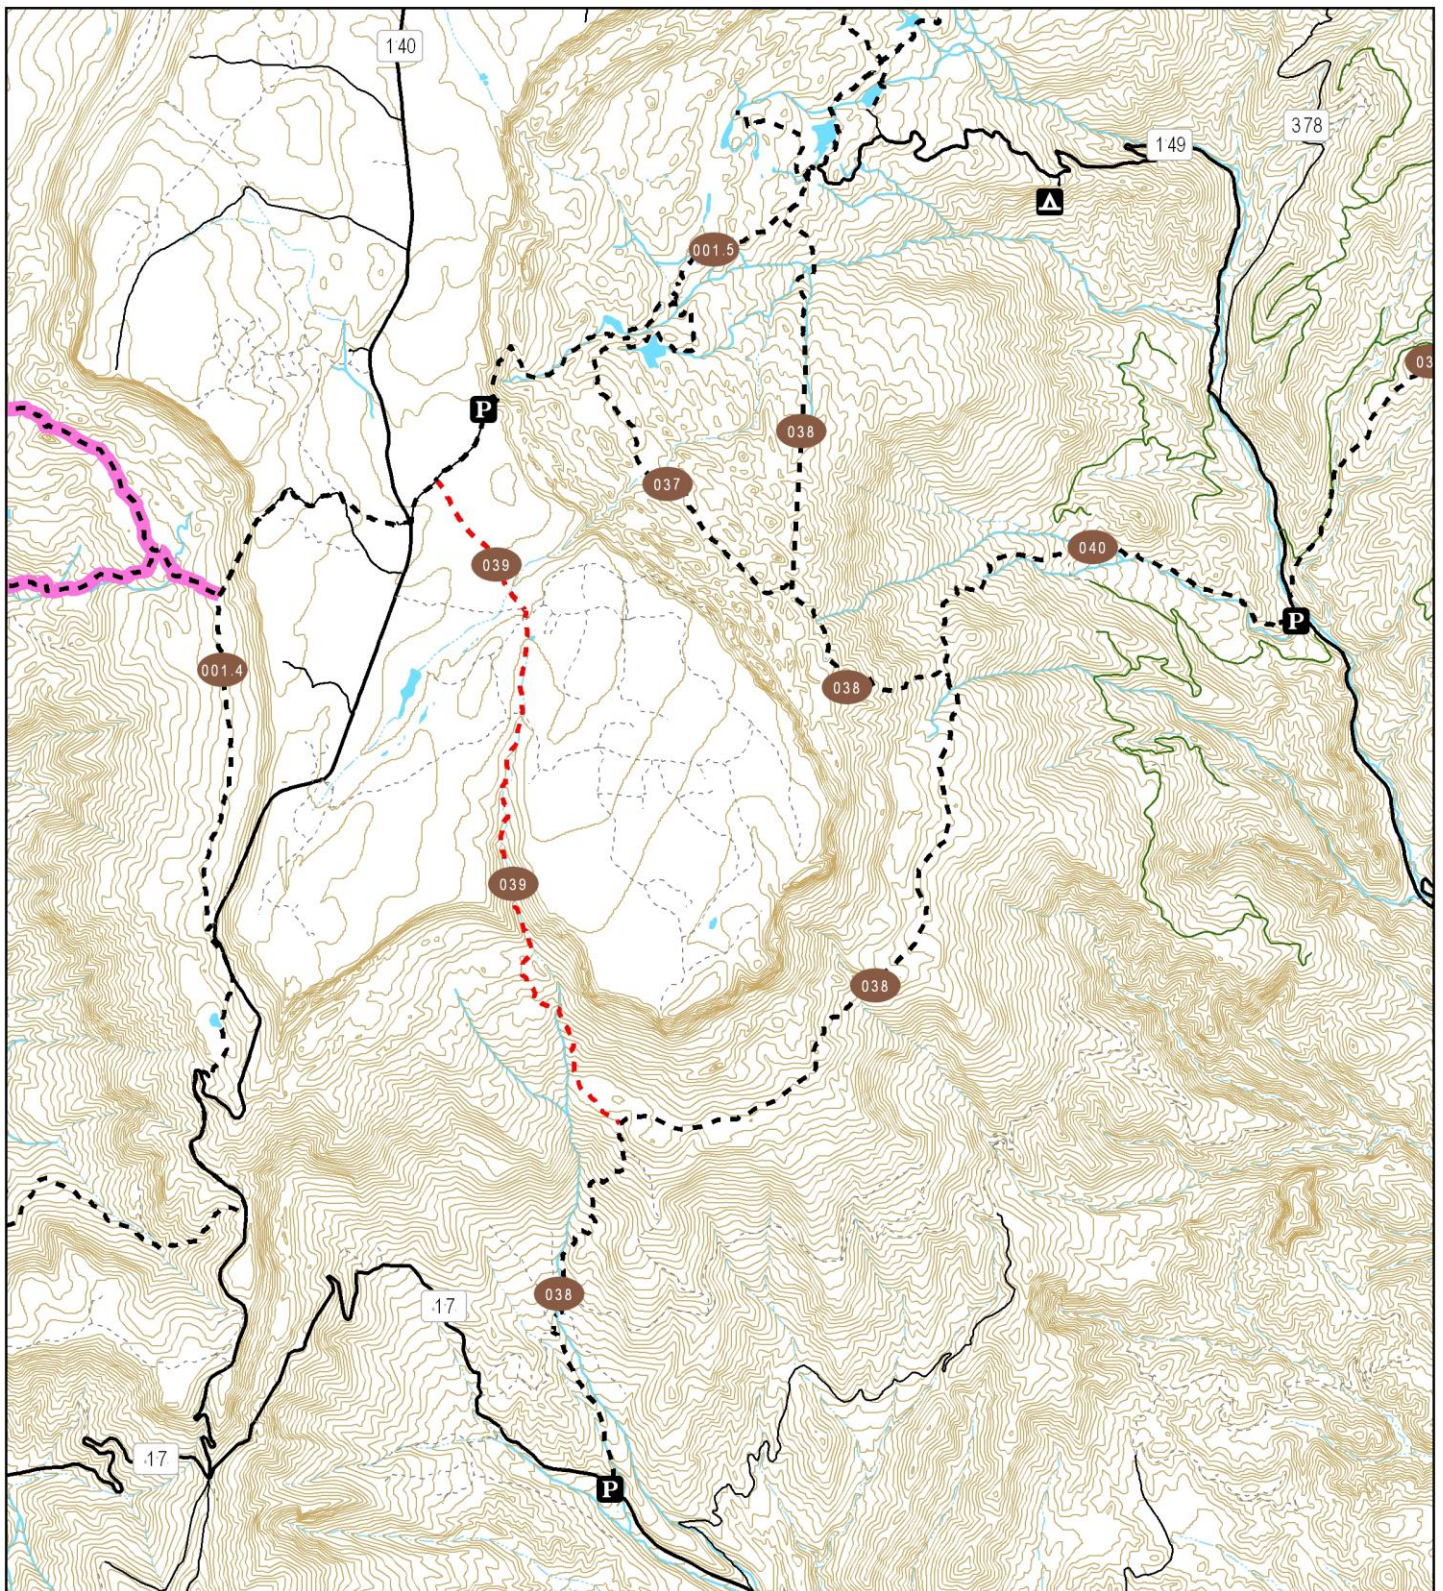

Water availability: Water is available only in spring from Auger Hole Lake. Filter or treat all water.

Hazards / obstacles: Sections of the trail can be difficult to follow. Look for cairns and blazes marking the trail. Mosquitoes are prevalent in spring and early summer. Wear a long sleeve shirt and pants and use insect repellent. Weather can change quickly. Be prepared for cold weather year round.

Topo maps: USGS 7.5 minute quads: Barker Reservoir, Griffin Point

The Trailhead: From Escalante drive west on Hwy 12. Turn right on the dirt road between milepost 55 and 56 and cross the creek. Drive 14 miles to the Escalante Summit. Turn right on FR 140. Drive 6.8 miles and turn right at the road signed "North Creek Lakes TRHD." About .25 miles from the turn off you will pass the Halls Creek Trail sign. You can park here or continue down the road another .50 miles to the main trailhead parking.

The Trail: From the main trailhead parking take the road back towards FR 140 for .50 miles then turn left (south) at the trail sign. Follow rock cairns and carsonite signs through the open meadow. At .80 miles the trail enters the trees then comes to a road. The trail crosses and follows a few roads over the next mile. Be sure to look for blazes to make sure you take the right trail. At 1.25 miles the trail comes to a rocky slope and a gate. The trail gets steeper as it descends Halls Creek. At 3.7 miles the trail terminates at the junction of the Griffin Point Tr. No. 038.
